SCHOOL BOARD MEETING

Award Contract For Vocational Wing

At the regular meeting of the board of the Stony Plain School Division held on Wednesday, October 4th and 5th the following tenders for the Stony Plain Vocational Wing were received.

Harsim Construction, $566,500; Briden Construction, $568,400; Prism Construction, $573,156; Parkins Construction $585,600; Norman Nielson Construction Ltd., $587,654; Universal Construction, $598,712; Fort Construction Co., $600,860; and Camwil Construction, $604,734.

It was moved and carried that the tender of Harsim Construction in the amount of $566,500 for the Stony Plain Vocational Wing be accepted, subject to Ministerial approval.

The scale of probable costs of the Stony Plain Vocational Wing was presented to the board: Contract price, $566,500., less probable sales tax refund of $24,000 making a total cost of $542,500.

Total cost of the building will be $542,500 with the Federal-Provincial share $230,400, the Foundation Program $284,578 and leaving a cost of $27,572 to the school division.

Landscaping will cost $5,600 , all borne by the school division.

Architects fees come to $33,900. The Federal-Provincial share is $14,990 with $19,000 to be paid by the school division.

Furniture and equipment will total $89,000. The Federal-Provincial share is $62,000; the Foundation Program, $16,900; and the school division $10,100.

Board Briefs

Only one quotation was received for the demolishing of the Old Glory Hills School. Leslie Ibsen, Don Barr and George Wagner were requesting $100 to help defray costs of demolishing, bulldozing and levelling of the grounds.

It was moved and carried that the quotation on the Glory Hills school be accepted and that the bidders be invited to discuss this matter with the Board.

* * * *

It was brought to the attention of the Board that an executive meeting of zone 2 of the A.S.T.A. is to be held in Athabasca on Tuesday, October 18th. The Chairman, Superintendent and Secretary-Treasurer were authorized to attend.

* * * *

The board of the Drayton Valley Separate School District requested a tuition agreement with the Board of the Stony Plain School Division. This matter was tabled pending a telephone call from Mr. A.B. Wetter.

Later in the meeting it was

Cont. on Page 2

Mereldine Schramm

Gold Medal For Nursing Proficiency

Miss Mereldine (Dean) Schramm formerly of Edmonton and Drayton Valley, graduated from St. Michael's School of Nursing, Lethbridge on October 16th.

She won the Gold Medal Award for Proficiency in Nursing donated by the Haig Clinic.

Miss Schramm is well known to many Drayton Valley residents. She worked at the Drayton Valley Municipal Hospital for about three years prior to starting training at Lethbridge.

In November she will join the staff of the University of Alberta Hospital in Edmonton.

She is the eldest daughter of Mr. and Mrs. Chris Schramm, formerly of Edmonton and Naramata, B.C., and who are now visiting Drayton Valley.

Weather Continues to Hinder District Harvest

Wet weather continues to plague farmers in central and northern Alberta in their attempts to complete harvest operations. Crop reports at the weekend indicated that the Evansburg-Drayton Valley district, and the Hines Creek district are the hardest hit with less than half the crop in these areas reported in the bin.

Other areas of the upper portion of the province are also experiencing difficulty but most could complete operations with three or four days of good weather.

Farmers in the Drayton Valley area are pinning their hope on a heavy frost that would permit equipment to move into the fields before snowfall. Farmers in the area generally feel there is little likelihood of the fields drying out this late in the fall.

A few fields are dry enough to move machinery and harvesting in the area east of here was beginning to resume at the weekend.

November MD Month

Kirk Clouthier (nearest camera) and his brother Richard examine the dashboard of a fire engine during a visit to their local fire hall. Fire fighter Gordon Connor stands by ready to explain what all the dials and buttons mean. Both Kirk and his brother have muscular dystrophy. Fund raising drives to help abolish this crippling disease will take place during the week of November 6 - 13th. (Photo Ian Sampson)

Possibility of Dance Instructions

Considerable interest has been shown in the possibility of starting dancing classes in Drayton Valley for children and possibly adults. It is almost certain that a qualified teacher can be obtained to come out from Edmonton weekly if there are enough pupils to warrant the trip.

A meeting will be held at 8:00 p.m. on Thursday, October 20th in the Recreation Room of the Town Hall to discuss the subject. All those interested are asked to attend but if unable to do so they are asked to call Pat Lewis at 542-3712 as soon as possible.

TOWN COUNCIL MEETING

Drayton Included in Student Exchange

At the regular meeting of Town Council last Thursday it was announced that Drayton Valley has been invited to take part in the Canadian Youth Travel Program which gives young people the opportunity to take part in exchange visits between the East and the West.

The program has been underway for some time with larger communities taking part and the invitation to Drayton Valley was accepted enthusiastically by members of Town Council. Information was received to the effect that the town had been listed as a reception centre by the Provincial Government and would play host to groups of young people from Eastern Canada between June and September of next year.

Young people from the area would be offered a similar opportunity to visit Eastern Canada on an exchange basis. Selection would go beyond the town area and include qualified young people from district points.

The program involves students between 15 and 18 years of age who would travel in groups of 12 boys and 12 girls with two escorts. The criteria suggested for sele tion of candidates includes academic attainments, leadership qualities, ability to express themselves and wide extra-curricular interests.

The scheme presents an opportunity for young Canadians to participate in a program of travel out of their province where they would be introduced to different geography, political and educationl invitations, cultural life and industry. It is expected to provide them with deeper insights into human and material forces under which Canada is developing.

Next year's exchange is a Centennial undertaking with the Centennial Commission providing transportation and money for other expenses. Visits last for seven days during which time the young people are billeted in homes in the areas taking part in the exchange.

Tentative suggestions at Thursday's meeting included possible tours of points of interest locally as well as a variety of entertainment. The hope was also expressed that young people visiting here from Eastern Canada might also be taken for a quick visit to the Rocky Mountains.

Council Briefs

At last Thursday's meeting of Town Council the Secretary reported that reservations had been made for the Union of Alberta Municipalities Convention to be held in Red Deer later this fall. Several members of the Council are expected to attend.

* * * *

Trailer homes attracted a good deal of attention at the meeting with Council endeavouring to find a way to restrict any further development of this type. It was pointed out that no conflict exists with people already established but that steps would be taken to ensure that future substandard development would be halted.

How to effect legislation to govern the situation was discussed at considerable length and some action will be taken in the near future.

* * * *

It was reported that a new Chief of Police had been appointed and would arrive here early in November to take

Cont. on Page 2

Singing Group Needs Pianist

The Choralaires, a ladies singing group under the direction of Mr. R. Humphreys was organized recently. At present the group needs a pianist and experienced altos and seconds. Any ladies interested are welcome to attend. For further information phone Mrs. Nancy Jacobs at 542-3405.

Town Council Briefs

Cont. from Page 1

over the position vacated by former Police Chief Al Miles. The new chief is R. Doig who is coming here from Eastend, Saskatchewan.

* * * *

It was decided to increase the salary of the garbage collector by $25 per month to cover the picking up of refuse which was not previously considered a part of his duty.

* * * *

The General Plan was discussed and a meeting with the planners set for October 17th. to go over the plan for correction purposes. A public meeting will be held at a later date before implementing the plan.

* * * *

The regional meeting of the Union of Alberta Municipalities held recently in Leduc was reported.

* * * *

A resolution to be presented at the U.A.M. Convention in Red Deer was discussed. The resolution by Drayton Valley Council will ask the Provincial Government to consider an investigation of present-day boundaries of municipalities, school divisions and health units which were set up many years ago and no longer appear realistic in the light of modern-day travel.

* * * *

Rental of transceivers for the Police department which would allow a patrol man on foot to pick up calls to the police car was discussed and held over until the arrival of the new Police Chief before a decision is made.

* * * *

The problem of obtaining bands for Centennial Activities was discussed and the Secretary will contact several in an effort to determine which might be available to Drayton Valley.

* * * *

A meeting of the Evergreen Tourist Association, of which Drayton Valley is a member, will be held in Edson on October 26. A brief will be prepared for presentation at the meeting on the method to be used by this community in spending its portion of tourist promotion funds.

* * * *

A suggestion was received from the Recreation Board to the effect that board membership be changed from five to seven members to help carry the increasing recreation load. Coun cil agreed with the suggestion and By-law No. 375 will be drawn up to amend the membership figure.

* * * *

Landscaping and paving for the Centennial Civic Centre was discussed and it was decided to have as much of this work as possible completed for next year's activities.

* * * *

It was decided that the 1966-67 capital works program should be considered very soon in order that gravel requirements can be arranged for and stock piling began. Members of Council were asked to study capital works for discussion at a later meeting.

Beef Club to Re-organize

A re-organizational meeting of the Drayton Valley 4-H Beef Club will be held in the Town Hall at 7:30 p.m. on Thursday, October 27th.

New members from 12 to 21 years of age are invited to attend. To join, youngsters must be 12 years of age by January 1st, 1967.

All members and those wishing to join are asked to bring one parent to the meeting.

Prepare for Adult Classes

Preparations are being made to offer adult education courses for those desiring to complete their high school education. Interest to date seems to indicate it may be possible to teach Mathematics Grade 10 and for Grade 12 and Chemistry 12. However, several additional students are necessary before final arrangements can be made.

Anyone who is at all interested in adult education is asked to contact Peggy Tyler at 542-3838 or Pat Moore at 542-3224.

moved and carried that the Divisional Board would not enter into a tuition agreement with the Drayton Valley Separate School District No. 111.

* * * *

It was moved and carried that, in the future teachers salary cheques be dated the last Friday of the month and that out of town cheques be mailed on the Tuesday prior to the Friday and Stony Plain cheques be mailed on the Wednesday prior to the Friday.

* * * *

Mr. F. Hannochko reported on his attendance at a meeting of the Metropolitan Edmonton Educational Television Association (M.E.E.T.A.) held in Edmonton on Tuesday night, October 4th. He made it known to the association that although the Divisional Board may assist by nominal financial contributions the Stony Plain School Division does not wish to take an active part in this program at this time. The present plan for financing is as follows: Provincial Government - ½; School Boards - 1/3; and University of Alberta - 1/6. He further advised that at present an opportunity room is being organized in Drayton Valley.

It was moved and carried that an opportunity room be opened in Drayton Valley.

* * * *

Mr. Hannochko reported on the recent Principals' meeting at which several vital points were discussed. The princi-;als here requested additional allowance for special trips for the 1967 centennial year.

It was moved and carried that principals be authorized to phone the Divisional office by Direct Distance Dialing from school telephones but all other long distance calls are the responsibility of the Principal concerned.

* * * *

It was moved and carried that the library in Tomahawk be moved from the basement to a classroom and that shelves be built in this classroom.

* * * *

It was moved and carried that application be made for ministerial approval to borrow $15,000 for the paving in Drayton Valley.

C.G.I.T. Elects New Officers

The Canadian Girls in Training began on September 27th. They held initiations for the new comers on October 13th. The girls decorated the United Church for Thanksgiving and did a nice job.

The regular meeting day for the C.G.I.T. are every Tuesday evening at 8:00. Mrs. Boles is the leader of the group.

C.G.I.T. held elections and the following persons were elected: Linda Astle, president; Laurie Cathrea, Secretary; Nina Schurman, Vice-President; Judy Seal, Treasurer; Betty Hay, Social Convenor; and Elaine Litke, Reporter.

One out of every 6 members of of the present-day Royal Canadian Air Force is a former Air Cadet.

Have you ever wondered...

...which of Alberta's resources is most important to industry?

Alberta's people. Industry needs people . . . trained people . . . to make it go, and skilled labour is vital to industrial progress. To help the supply keep pace with the demand, the Vocational Education Division of the Alberta Department of Education maintains three Vocational Centres for adult training, in Fort McMurray, Edmonton and Calgary. Here, people learn those skills industry

requires most, and which will allow them to take their proper place in the labour market. To be sure each trainee is in the right trade, each is given personal, skilled counselling before enrolling.

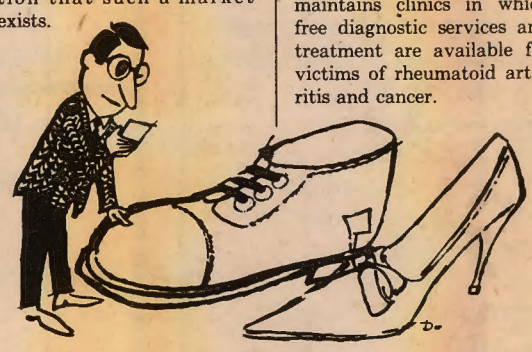
...where would you start if you decided to complete your high school education?

Remembering the grade at which you left high school doesn't mean that you retain all the knowledge

taught to you in that grade. To help you decide just how much you DO remember, and where you should begin to complete your high school education, the Correspondence School Branch of the Alberta Department of Education provides placement tests which will indicate your starting point, between grade 1 and grade 12. Once this is established, you can enroll with the Branch for a correspondence course which will count for credits toward a High School Diploma on the same basis as students who attend a regular school. Correspondence courses are also available for the lower grades, from 1 to 9.

...if there's a market for footwear in Alberta?

Ask the Alberta Bureau of Statistics, a Branch of the Department of Industry and Development. This is where you'll find all the answers to statistical questions on economic activity in Alberta. If they're not in the comprehensive library of statistics, you'll probably find the facts you need in one of the Bureau's publications, such as the annual "Salary and Wage Rate Survey"; the monthly "Summary of General Statistics"; "Alberta Industry and Resources"; or "Review of Business Conditions." If you want details on the market for a specific item, the Bureau of Statistics will carry out a special survey provided there is an indication that such a market exists.



...where the parents of a cerebral palsy child can turn for assistance?

Understanding is a vital part of the treatment of cerebral palsy and, to help parents recognize and understand the problems of a child striken with this disease, counselling services are provided at cerebral palsy clinics maintained by the Alberta Department of Public Health. Here, qualified specialists examine suspected cases and recommend treatment in the clinic or at home. Where home treatment is decided upon, parents are instructed in the necessary techniques and provided with literature and equipment required for the treatment prescribed. In addition to cerebral palsy clinics, the Department also maintains clinics in which free diagnostic services and treatment are available for victims of rheumatoid arthritis and cancer.

... if preventive medicine applies to Alberta animals?

The wealth of Alberta depends partly on the health of

the Province's livestock and, with animals, as with people, it is easier to prevent disease than to cure it. The preventive medicine program for Alberta animals is carried out by the Veterinary Services Division of the Alberta Department of Agriculture. One facet of this service is inspection of all animals passing through the public auction marts. Approximately 1,000,000 are carried out each year and, over the last five years, 55,000 head of cattle, sheep and swine were removed from public market channels because they were suffering from infections or contagious diseases that could spread to the buyers' herds!

...about the significance of those little round window stickers being worn by some Alberta cars?

Those are symbols of safety, proof that the cars which carry them have been tested and passed the requirements of the vehicle testing centres of the Motor Vehicles Branch, Alberta Department of Highways. The Branch operates two of these units which test, free of charge, headlights, brake and wheel alignment and front end condition. These facilities are available to any driver who would like to have the roadworthiness of his car tested. If defects are discovered, the owner receives a report indicating the problems, and can apply to have the vehicle re-tested when the trouble has been corrected. The testing units are easily transportable, so that their services can be provided in communities throughout the Province.

Editorial Comment

Participants Sought

The appearance in Drayton Valley next July of the Centennial Caravan will be an event of great importance, not only to the host town, but for all the people in communities in the Western part of the province who would come to visit it on location here.

Of necessity, with a crowded itinerary, the caravans must stop at central points easily accessible to large numbers of people in the surrounding areas. The Drayton Valley stop therefore, belongs as much to the people of Lodgepole, Tomahawk or Alder Flats as it does to the residents of Drayton Valley. It is hoped that the people of communities around the caravan stopping point are looking forward to the event as active participants and will enter freely into the birthday party festivities of this once-in-a-lifetime occasion.

One of the caravan features is a large stage that centennial officials ask be kept busy with entertainment provided from local sources. This is an area where much help could be provided by schools, youth and adult groups, or individuals, from anywhere in the district--help that would be much appreciated by the Centennial Committee that is now beginning the preliminary work on this facet of the caravan visit.

GUEST EDITORIAL ...

'Teach Them! Oh Teach Them!'

By Galen F. Drawbaugh, Pastor,
Emmaus Lutheran Church

Oh hum! We can relax now. What? Why? Well, they are back in school, out from under our feet. School is a good place for them to be. They will need an education to get any place in this world. It never was like this before. Grandpa only had grade 4. Dad had grade 8. Myself, I had grade 10. Oh I could have had more, but I didn't see much sense in going to school when there were good jobs available. But the times have changed. My children will need at least grade 12 and I'd like to see them go on to college, or at least to a trade school. The pursuit for excellence is on, you know. The pressure is on. There aren't many common labor jobs left anymore. Everyone has to be a specialist. You have to know what you are doing. And I want my children to have a good education. I'll encourage them and help them. I'll save and scrimp to get them through school. That's the least I can do for them. I want my children to be in a good position to earn a good living and to have all the better things in life. I think education is about the most important thing in the world today. If our children don't have a good education, they'll be sunk!

"Thou fool, this night thy soul shall be required of thee" (Lk 12:20). "One thing is needful" (Lk 10:42). The pursuit for excellence? Without a doubt! What do I lack? Why do you call me a fool? Thou fool. Hast they child a soul? Art thou educating and preparing thy child for eternal life as well as thou art preparing him for this life?

DON'T BE CARRIED

One-armed drivers are bound for the church aisle. Some walk up the aisle -- others are carried up.

Compensation for Livestock Killed

New Wildlife Damage Fund regulations, which come into effect in time for the 1966 hunting season, permit persons whose livestock is shot on lands when and where hunting is authorized, to apply for restitution from Alberta Wildlife Damage Fund. Valid claims for compensation from wildlife crop damage will continue to be paid from the fund.

This year, hunters will pay two dollars for their Wildlife Certificates. The money goes into the Wildlife Damage Fund, and the certificates become hunting licenses when appropriate game stamps are affixed. Last year, the certificates cost one dollar and nearly 119,000 were sold.

In order to be eligible for compensation from the fund, death or injury to livestock must be reported within three days of discovery to the nearest R.C.M.P. detachment.

An application for compensation must be filed on a form provided at R.C.M.P. and Fish and Wildlife offices. This must be forwarded, together with a copy of the R.C.M.P. investigation report concerning the loss, to the Director of Fish and Wildlife.

The claimant is also required to submit a statutory declaration identifying himself, his place of business and location of the incident of livestock loss. Value of livestock injured or killed, salvage value if any, and the amount of compensation claimed are required on the declaration as well.

The declaration shall be accompanied by a certificate signed by two local ratepayers stating their valuation of the livestock for which compensation is claimed. On acceptance of a validated application, the amount of compensation may in no case exceed 80 per cent of average market value.

Good Progress on Highway Program

Honourable Gordon E. Taylor, Alberta Minister of Highways, reports that good weather during the last 30-day period has permitted rapid advancement of construction. As a result the highways program is now well ahead of last year's schedule.

77% of the grading program or 246 miles have been completed; 88% of the base course work or 274 miles have been completed; 84% of the plant mix or 226 miles have been completed. The seal coat program has been fully completed and 100% of this work was also completed at this time in 1965.

To date 1,569 shifts have been lost due to rain.

"With reasonably good weather in October", the Minister said, "the highway construction program can be virtually completed this year."

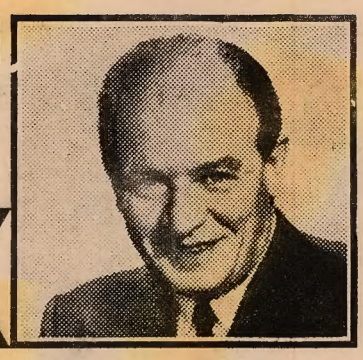
Centennial Report



1867 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

Aviation has made a great contribution to Canada's development and I am still hoping, at this date, that there will be suitable recognition of that fact in next year's Centaennial celebrations.

I am referring to civil aviation and, in particular, the bush flying era of the twenties and thirties. In those days of northern development, when aeroplanes were still relatively flimsy things, more freight was moved through our north country than anywhere else in the world and the tonnage figures rivalled those of the Suez Canal.

The bush pilots who flew by the "seats of their pants" without modern navigation aids have stamped their names in Canadian history and have left colorful legends known to many all over the world. Wop May, Whitey Dahl, Sandy MacDonald, Grant McConachie, J.H. Tudhope, J. Romeo Vachon , Punch Dickens--these are but a few which come to mind. Some have taken the last flight beyond the cirrus clous; others are still around.

Bush flying, the two world wars and imaginative, daring and courageous men gave Canada its aviation heritage. Canada also received the world's recognition for being an important aviation country when the headquarters of the International Civil Aviation Organization were established at Montreal. Many Canadians don't realize that delegates from more than 110 countries are based at Montreal to set and maintain standards, procedures and recommended practices for civil aviation throughout the world.

Canadian military aviation will receive recognition next year in the various air shows, with vintage and modern aircraft, and fly-pasts which are planned along with events such as the Armed Forces' Military Tattoo and other spectaculars. The first international free balloon race in Canada also will be a big feature of the prairies during the summer of 1967 and the Centennial International Abbotsford Air Show, at Abbotsford B.C., will be held August 11, 12 and 13, 1967.

I still have hopes that non-government organizations or associations will spark interest in further events to recognize general aviation next year.

A handicap air-race for vintage aircraft and displays from the twenties and thirties could be organized by aviation historical associations and flying clubs working together, I'm sure.

Farewell Party For Thompsons

A farewell party was held for Dean and Earl Thompson on Saturday evening. The Thompsons are moving to Grande Prairie to make their future home.

An enjoyable evening was spent which ended with a presentation from those present, and a smorgasbord.

Al and Vera Braden motored from their home in Lloydminster for the evening. Also present were the Brights, Burrows, Fuhrs, Mike Gormley, Johannesons, Krauses, Pickups, Ravens, Timmins, Shimbashis and Zolmers.

Stony Plain Arena Collapses

The Stony Plain Centennial Arena, scheduled for completion in about a month, was demolished on Saturday, October 8 when the building collapsed during a violent wind storm. The nearly-completed arena collapsed about 2:00 a.m. when winds were reported to have reached a velocity of 60 to 75 miles per hour.

Prior to the collapse the roof arches were in place and tied together. Work on the roof was underway and expected to be completed by the end of October.

The town had spent $60,000 to $70,000 on the building which was to have cost $90,000 when completed. All-risk insurance in the amount of $76,000 was carried on the building.

An investigation is underway to determine the cause of the unfortunate event.

5th Annual A.J.C. Awards

Calgary Power is proud to announce 1966 Award Winners

CALVIN HOLLAND,
Sundre

Alberta Junior Citizen of the Year.

Calvin had been sent out to look for his brothers and sisters. He thought they might be down by Bearberry Creek. As he was walking along the creek he suddenly spotted little 22-month old Jacqueline Bateman. She was completely submerged in the water — caught under a board. With great presence of mind and no thought for his own safety, 13-year old Calvin plunged into the creek. After freeing Jacqueline and making sure she was breathing normally he rushed her back to her home. As Mrs. Bateman says, "What can you say? 'Thank you' doesn't seem enough." Calvin's courage and quick action undoubtedly saved the little girl's life.

We congratulate Calvin and wish to thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Len Rushka, Editor of the Sundre Round Up and to Calvin's nominator, Mrs. Alec Bateman of Sundre.

CALGARY POWER LTD.

Mill Rate Compared With Other Communities

At last Thursday's meeting of Town Council the mill rate was discussed at some length and during the discussion a comparison with other communities was made.

The following table shows how Drayton Valley compares with other Alberta communities:

Town or City	Current Millrate	Current Assessment	Current Equalized Assessment	Year of Last General Assessment
Drayton Valley	57	4,050,300	3,678,505	1966
Beaverlodge	64	1,277,075	1,182,016	1963
Spirit River	68	1,163,140	1,071,553	1963
Separate	77			
Town of Fairview	64	2,725,370	2,616,864	1966
Whitecourt	53	2,967,180	2,605,337	1964
Morinville	66	1,586,330	1,022,702	1965
Slave Lake	55	1,023,410	733,393	1962
St. Albert	62	14,420,507	13,268,625	1961
Fort McMurray	70	2,126,394	1,622,600	1961
Grimshaw	65	1,773,820	1,592,921	1966

EVANSBURG NEWS

Mrs. M. Bruner, Correspondent

In contrast to the day last week's news was written, when snowflakes were gently falling today is bright, warm and sunny: ideal weather for the last of the harvest.

An AGT telephone clinic was held in the Legion Hall on the 13th and was one of the best attended functions to take place in the hall. Many turned out to see the display and learn more about DDD.

The District Agricultural Society had their meeting at the Gerrard home in Wildwood last week. Final plans were made for the annual banquet to be held on the 21st. It was found that although this week is conference week for district agriculturists, Mr. Graham from the Extension Department would be able to come as guest speaker. He will alsc show some films on beef raising and farm management. Plans were also tentatively made to hold a turkey shoot in the near future and the date for the annual meeting was set for November 24th. The next meeting will be held at the Bruner home in Evansburg.

To help the Greenwood family, whose home burnt recently, the district is putting on a benefit dance on the 28th of this month.

The Cubs and Scouts held a bottle drive last week. This event had been postponed twice because of the weather but it has now finally come to pass. The boys seemed to have gathered quite a collection of bottles to add to their finances.

If you see some teenagers running circles around the gym or the school yard, don't think they have gone out of their minds. They are only in training for a cross country race to be held in Hinton very soon.

HEADED FOR BOOT HILL

In this modern age men whc die with their boots on usually have one of them on the accelerator.

NOTICE

THE PROVINCIAL ROYAL COMMISSION ON JUVENILE DELINQUENCY

Appointed by Order-in-Council No. 1792/66 dated September 27, 1966

INVITES SUBMISSIONS

from any interested person or group relating to any or all of the following:

A. Nature and scope of Juvenile Delinquency in Alberta.
B. Basic causes of Juvenile Delinquency problem.
C. What is presently being done to curb Juvenile Delinquency and the preventative measures undertaken in this field.
D. Steps and action that should be taken to improve preventive procedures for curbing the problem.
E. Steps and action that should be taken to aid in the rehabilitation of Juvenile Delinquents.

Briefs, particularly from private citizens, need not be typewritten or professionally prepared, but where possible, they should be typewritten in triplicate. All briefs should be forwarded to:

MAGISTRATE F. H. QUIGLEY Q. C.
POLICE BUILDING,
CALGARY, ALBERTA.

Before the 20th day of November, 1966

****

The Committee will hold
PUBLIC HEARINGS
AT LETHBRIDGE
Commencing the 5th day of December 1966
and
AT MEDICINE HAT
Commencing the 7th day of December 1966

Further hearings will be held at Calgary, Red Deer and Edmonton, and if warranted, Grande Prairie.

All persons presenting briefs are invited to attend and speak in support of their submissions.

Hearings will be as informal as possible.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. Lloyd Robert Cooper passed away at his home on Saturday following a heart attack. He is survived by his wife, three sisters, Mrs. David Grant of Edem, Saskatchewan, Mrs. Lillian Goodhard of Saskatoon and Mrs. Ted Lynn of Flin Flon, Manitoba. Two brothers, Allan and Charles both of Edem, Saskatchewan. Funeral services to be held in Drayton Valley United Church on Tuesday at 2:00 p.m.

We wish to extend our sincere sympathy to Mrs. Cooper and all members of Mr. Cooper's family.

Dr. Maclure will have a week in London soon where he will visit his father.

Mr. Danny MacDonald had the misfortune to have his leg broken when a tree fell on it. Danny is working for the forestry department.

Mr. and Mrs. Dick Baker are spending the winter in Edmonton where Mr. Baker is attending classes at Alberta College. Mrs. Baker has a position in the Royal Bank.

Lodgepole News

G. Schmidt, Correspondent

Lodgepole U.C.W. is holding a fowl supper on Saturday, October 22nd at the Lodgepole Community Centre. Advance tickets are available at the Lodgepole Post Office. The ladies are hoping for a good turnout.

All Cub and Scout parents are asked to attend a meeting on Wednesday, October 19th at the Community Centre.

Congratulations to Alona Anderson and Ron Schmidt on their recent engagement. May the future hold your fondest wishes.

Mr. and Mrs. Charles Goett were recently transferred to Edson where he is employed for the Department of Highways.

Mr. Roy Andersen has been in Red Deer for the past several weeks, where he is employed by a Well Servicing Company.

A joint meeting of the Recreation Association and the Lions Club was held in the Lodgepole Community Centre The Recreation Association asked the Lions Club whether they would assume maintenance and responsibility for this coming season of the Lodgepole Skating Rink. The Lions accepted.

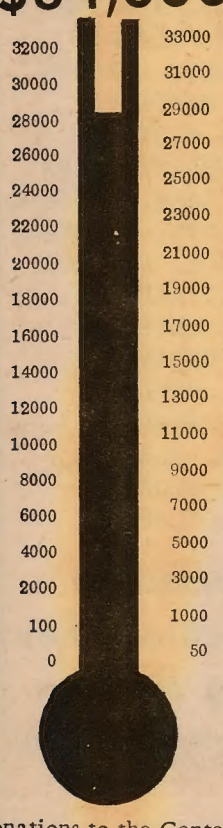
The recreation Association approved the purchase of a snow blowing machine for the amount of $250. The machine has been purchased by Mr. G. Schmidt from Stony Plain Motors. This will ensure proper maintenance of the Rink for skaters, young and old. Please support this operation by purchasing your season tickets when called upon by a member of the Recreation Association.

Work on the Lodgepole Curling Rink is well under way to install the new artificial Ice Plant. It is hoped that work will be completed as scheduled.

This week is Fire Prevention Week in Canada, and so it is in Lodgepole. Fire Chief G. Schmidt urges all residents to be careful with fires, especially when lighting diesel fuel stoves. No doubt the thermostat is being turned up a notch or two. Remember you can help fight fires by taking matches away from children.

Centennial Fund

$34,000



Donations to the Centennial Fund were received from Ambassador Investments Ltd., Fred Holan, Drayton Valley Art Club, Catholic Women's League and C. Schneider.

United Church Sunday Services

Padre E. Martin of the United Church will preach, this Sunday, October 23rd on the topic, "The Inescapable Judgement." This is an important topic since we all will have to face the great test. But what does judgement mean? Do we equate it with a judge in a court of law or as the Bible says, "This is the judgement that Light has come into the world." All our people are cordially invited to hear this sermon at 11 o'clock.

SEND IN THE NEWS

Library Receives Book Trolley

The library now has a fine new book trolley, the gift of Mr. Bert Demers. It was most kind of Mr. Demers to give up his leisure time for this project and we are deeply grateful.

Mr. Mark Thompson has donated a number of volumes to the library. A number of these books are foreign language novels that have been translated to English. Hope to have them ready for lending very soon.

Did you enjoy Han Suyin's "A Crippled Tree?". If so you will want to read her latest book, newly arrived, "A Mortal Flower." Bruce Cassidy has produced a book called "Practical Home Repairs for Women". Mr. Cassidy does not advocate that women become specialists in building, heating, cooling and maintaining the modern home. She should, however, have a reliable guide to tell her exactly how to fix what is broken, and tell her clearly and in a hurry. How do you repair a lamp that flickers? How do you fix a toilet that will not flush? What is the best way to repair a leak in a garden hose? How do you sharpen dull scissors? How can you tell if your refrigerator door leaks? This is only a beginning. Why not get the book and see for yourself?

Revised library hours are: Tuesday and Friday at noon for bus children; Tuesday and Friday afternoons from 3:00 to 5:00; and Tuesday and Friday evenings from 7:00 to 9:00.

Brenda & James Moody

Christmas in October?

It may seem unreasonably early, but we are urging patrons to come in now and pose for CHRISTMAS PORTRAITS. Its one gift you cannot rush out and purchase at the last minute, because good professional portraits cannot be hurried, and they do take time and extra special care. Few gift choices for Christmas are as warm hearted, loving and truly welcome.

Oilers Defeat Wildcats Sunday

The Oil Patch Oilers of the Edmonton Bantam Football League dropped the Drayton Valley Wild Cats 9-0 in an exhibition football game played at Kinsmen Park in Edmonton last Sunday afternoon.

The Oilers got an early touchdown which they converted and Doug Ibbottson conceded a safety touch to complete the scoring.

The Drayton Valley team played exceptionally well with only thirteen players which meant that most of the boys played the entire game. Don Bouschard was very effective throughout. He came up with three big interceptions each time pulling the Wild Cats out of trouble deep in their own end. Doug Ibbottson also came up with a key interception and played a sound game at quarterback for the Wild Cats.

A misunderstanding as to the location where the game was to be played in the city led to mass confusion among the cars carrying the players. Unfortunately one car never did get to the game. The misunderstanding and the resulting confusing circumstances were entirely the responsibility and the fault of the Recreation Director and we wish to apologize to all concerned for the grave inconvenience, dissatisfaction and irritable problems that were experienced by one and all involved.

We wish to thank the persons who furnished the transportation for the trip to Edmonton: Mrs. William Rose, Mr. Ted Bouschard, Mr. James McGuigan, Mr. Tom Obst and Mr. Henry Zorn. We wish to apologize to Mr. and Mrs. Zorn for the very unfortunate circumstances whereby they were left in the city of Edmonton without any directions as to the whereabouts of the game.

Junior High Highlites

The Junior High "Awards Night" held at the Frank Maddock High School was very well attended.

The night started out with entertainment from "The Young Ones", a group of singers from the Junior High School, the Choralaires, another singing group, and several other performances from other young people. Mr. Frank Maddock, Board Chairman of the Stony Plain School Division was the guest of honour and Mr. Woods, principal of the Frank Maddock High School was the guest speaker of the night. Mr. Humphreys principal of the Junior High was Master of Ceremonies. The night was concluded with the distribution of the awards to the students. Mr. Mosdel of The Bay, which awarded gold pins and Mrs. Hazzard and Mrs. Williams of the Royal Purple, which awarded books, assisted Mr. Murray and Mr. Maddock in making these awards.

Mr. Hall, physical education instructor, has arranged intramurals during the noon hours for the Junior High School. This program will provide both athletic and scholastic competitions for the students who have been grouped into four houses.

Hockey Meeting

There will be a meeting for for all hockey players and members of the executive at 8 o'clock in the Recreation Centre on Thursday, October 20th. All persons interested are reminded to attend.

Friday Meat Now Allowed

Father E.J. Lynch, Parish Priest of St. Anthony's, states this week that Catholics in the parish may now eat meat on Fridays if they so desire. The decision to make the change is a result of a meeting of Canadian Bishops being held in Eastern Canada.

Breton Church Setting For Recent Wedding

Breton Covenant Church was the setting for the October 8th wedding of Linda May, daughter of Mr. and Mrs. Roy Cornell of Drayton Valley and Mr. Leonard Frank Swartz of Breton Rev. Larry Fullerton performed the ceremony.

For her wedding the bride chose a floor-length gown with veil. She carried a bouquet of red roses and a bible.

Maid of honor was Miss Sonia Urchyshyn and bridesmaid, Miss Linda Urchyshyn, both of Drayton Valley. They wore street-length dresses of turquoise nylon net with matching hats and shoes and carried bouquets of white roses.

Mr. James Haggerty of Drayton Valley was best man and Merle Swartz, brother of the groom, the usher.

The bride's mother wore a two-piece brown and white suit with white accessories and the groom's mother was dressed in blue with white accessories.

A reception and dance was held in the Funnell Community Centre in Breton.

NEW FAMILIES MOVE INTO DRAYTON VALLEY EVERY FEW DAYS

But we so often neglect the small effort required to make them feel at home and welcome.

We would like to introduce to our 'OLDER' citizens the following 'NEWER' families, who have moved here this summer and to date. How about making yourself known to them if you live nearby?

Figure Skaters Plan Activities for Season

Linda McMorris and Lyn Burrows will again instruct all members enrolled in the figure skating program during 1966-67. Both girls are working on a voluntary basis, therefore, should be commended for their efforts.

Registration forms may be picked up from any member of the executive. Membership fees will be: 1st member of a family, $5; 2nd member, $3; 3rd member, $2; and additional members, no charge.

Instruction will take place in the new centennial arena and supervised practice sessions will be held in both the arena and on the Rotary skating rink. The club is planning to resume lessons the latter part of November.

The new 1966-67 executive consists of: President, Mrs. G. McMorris (542-4249); Vice-President, Mrs. R. Wickens; Treasurer, Mrs. G. Hay; and Secretary, Mrs. G. Simpson (542-3327 or 542-3737).

Buck Creek News

Mrs. Gladys Stec,
Correspondent.

Mr. and Mrs. Ben Regenwetter of Buck Creek are most proud to announce their first grandchild, Tammy Lane, born to Mr. and Mrs. Lenord Regenwetter on Wednesday, October 5th in Drayton Valley Hospital. Congratulations Lenny and Pam.

The next regular meeting of the B.C.W.W. ladies club will be held at the home of Mrs. Adolf Wasser on the afternoon of October 20th.

The Bingo held recently at the hall was not too well attended. Daniel Wasser was the lucky recipient of the master prize. Other winners were Mrs. Ema Hauser and Mrs. Halgren to mention a few.

I am sorry to hear that Mr. A. Nelson spent a few days in hospital last week.

Mr. and Mrs. Krist Steffensen and Mr. and Mrs. Buster MacDonald were Ponoka visitors one day last week.

Mrs. John Roos spent a few days in Edmonton recently visiting her son Johan, who is attending classes at the University of Alberta and Mr. and Mrs. Dalton Hunter (Isabelle) and family.

Lodge Visitor

Mrs. Helen Johnson, Supreme Honoured Royal Lady of the Order of the Royal Purple from Powel River, B.C., will be arriving in Drayton Valley on Friday, October 21st.

A special meeting in honour of Mrs. Johnson's visit is being held in Frank Maddock High School at 8:00 p.m. Friday evening. Lodge members from Entwistle, Gainford, Wildwood, Breton, Warburg and Drayton Valley Lodges will be attending.

Moon Lake News

Donna Cherrington,
Correspondent.

On October 9th the Town family held a family reunion in the hall. Movies and slides were shown of past gatherings.

Visitors over the long weekend to the district were Leona and Lloyd Reidlinger, Thelma and Gary Cherrington, Jackie and Jack Carlson and Marg and Grant Brown.

Mr. and Mrs. Cliff Block and family were down from Mayerthorpe on Sunday to visit Mr. and Mrs. Vida Town We hope you enjoyed your visit.

The new automatic phones put in the community for direct dialing went into operation midnight October 15th.

Due to the change of phones a surprise party was held in the hall on Saturday night for Mr. and Mrs. Leo Jensen for nine years of service as telephone operators. The residents of the community presented them with a lovely bench and an electric radio in appreciation of all their help. Thankyou Blanche and Leo from the community and past customers.

Fashion Show Highlights Oil Wives Meeting

The monthly meeting of the Drayton Valley Oil Wives was held in the Cardium Room on October 17th. Seventy nine members, 6 new members and 15 guests attended a delicious turkey dinner.

The business meeting was carried by Jean Ward our 2nd Vice President, since our president, Jackie Timmins, along with Dot Booker, 1st Vice and Stella Murray, Historian are attending the Oil Wives convention in Calgary from October 17th to October 20th.

Our annual mixed curling bonspiel will be held on November 19th. Any members wishing to participate should phone Fay Shearer at 542-3502 or Jean Ward at 542-4195 before October 31st.

The next executive meeting will be held at the home of Dorothy Pollock on November 7th.

A delightful evenings entertainment was provided by a fashion show with clothes from Mar-Nels Ladies Wear, and under the direction of Mrs. Mary Kublick and Mrs. Nellie Starman. Make-up was applied by Irene Anderson and Joan McLary. The attractive models were: Wendy Bryden; Pauline Dea; Ruth Daviduk; Carol Gillis; Edna Henderson; Betty McGee; Kietha Morrison Peggy Metcalfe; Bernice Neville; Helen Paley; Pauline Rehbein; and Pat Whiting. All are members of our club.

Eunice Lyle described the lovely clothes ranging from sportswear to the height of fashions in dresses and coats including sleepwear, the background music was played by Eileen MacDonald.

A $5.00 gift certificate from Mar-Nels Ladies Wear was won by Maxine Meaver of Cynthia.

Drayton Valley Athletes Compete at Athabasca

On October 15th the Frank Maddock High School and Drayton Valley Junior High School sent 18 athletes to the North Central Alberta Athletic Association Cross Country meet at Athabaska.

The course was very rugged with steep hills, one water jump and some road running. A finish in the top fifteen is a very good effort in Cross-country and Drayton Valley had several of these as follows: Class A Boys, Pepper Martin, 9th; Class A Girls, Vickie Berlinguette 6th; Linda McMorris, 7th; Dianne Kos, 8th; Class B Girls, Chris Landreth, 9th; Class C Boys, Bruce Gossel, 10th; Bill Kruger, 12th

The Class B Girls team of Chris Landreth, Linda Dusterhoft, Valerie Hutchinson, Judy Romanchuk and Linda Brown, all finished in the top 30 and rated third in the team standings.

Others making the trip were Ken Fink, Fred Kaarsemaker, Andy Vowk, Linda Franck, Lynne Van Loosen, Shirley Henkel.

All enjoyed the meet and hope to go back next year with a larger group of athletes and make a better showing.

Several boys were chosen and will be making a trip to Edmonton next Saturday, October 22nd to compete with the North Central Zone teams in the CAHPER Cross-Country runs at Kinsman Park.

Mothers Hold Recent Meeting

A meeting of the Guide, Ranger, and Brownie mothers was held on October the 5th at 2:00 p.m. in the Scout Hall.

There were a lot of new faces present--it was very nice to see so many of the mothers turn out.

A rag drive was planned for the 20th of October after school. Last year the Guides and Brownies raised $140 on rags which were donated. Fifty dollars of which was donated to the centennial fund. We take all rags except silks or heavy denim. Rags will be picked up at your door by the Brownies.

A training session is planned for November 5th in the Scout Hall. Any interested persons may phone Mrs. Mary Schuman at 542-4271 or Mrs. Rose Wickland at 542-3434 for further information.

This training session is to train Guide, Ranger and Brownie leaders. Anyone attending is asked to bring their own lunch.

We are very happy to report the Guiding Movement doing so well in Drayton Valley. This year we have re-opened the 2nd Drayton Valley Brownie pack and started a new Guide Company which is now the 2nd Drayton Valley Guide Company.

We have been very lucky in finding leaders for all the packs and companies. Many thanks to all leaders and helpers.

4-H CLUB ACTIVITIES

GARDEN CLUB SEEKS MEMBERS

The Drayton Valley 4-H Garden Club is still looking for enough members to reorganize. How about it girls and boys. The age limit is to be 12 years of age by January 1st, 1967. Boys in the club do not have to can their products but will have to study insects and weeds. If you cannot attend the organizational meeting in the Council Chambers of the Town Office on October 20th at 7:30 p.m., please send your name, age and land location with your friends.

Any girls interested in forming a 4-H Clothing Club please attend this meeting or send word and the necessary data as mentioned above with your friends.

Fresh frozen blood plasma is used to treat haemophilia and Christmas disease.

WHO'S NEW

October 9th - Mrs. Patrick Hines (Verna), Violet Grove, a girl - 8 lbs. 7½ ozs.
October 10th - Mrs. Wilfred Blake (Betty), Wildwood - Girl - 6 lbs. 10 3/4 ozs.

Stedelbauer Chevies to Play Wildcats Sunday

The Stedelbauer Chevies Football team of the Edmonton Bantam Football League will be here on Saturday, October 22nd to play an exhibition game against the Drayton Valley Wild Cats. The game will get under way at 12 o'clock noon and will be played at the Lions West Valley Recreation Park.

The Stedelbauer team finished league play in a high position in the Edmonton Bantam league and the Cats will have their work cut out for them on Saturday afternoon. This will likely be the last game of the season for both clubs.

CAMP WAINWRIGHT GROUSE AND DEER HUNTING LICENSE APPLICATIONS

GROUSE Open Season - December 5 to December 10, 1966
ANTLERED DEER - December 12 to December 17, 1966
ANTLERLESS DEER - January 2 to January 7, 1967

This year, a random selection of a limited number of grouse permits and deer licences allowing persons to hunt in Camp Wainwright under certain restrictions will be made from all valid applications received from Alberta residents. "Resident" means a person who has resided in the Province for a period of one year immediately prior to the date of application for a license.

Before applying for a permit or a license it is necessary to have a 1966 Wildlife Certificate. A group of hunters, up to a maximum of four, who wish to hunt grouse on the same two-day period allowable and deer on the same one-day period allowable may submit their applications in one envelope. The choice of dates are to be indicated in order of preference on the back of the application envelope. Each applicant is allowed only one application.

Each applicant who is not drawn on the dates or date of his first choice has an equal opportunity to be selected on his second choice etc. All applications must be submitted on special forms available only at Provincial Fish and Wildlife offices. As illegible or incomplete applications do not qualify it is important to carefully read the instructions.

A MONEY ORDER OR CERTIFIED CHEQUE PAYABLE TO THE PROVINCIAL TREASURER FOR $3.00 MUST BE ENCLOSED WITH EACH APPLICATION FOR A DEER LICENSE.

GROUSE PERMITS ARE FREE

Completed application should be forwarded to:

Fish and Wildlife Division
Department of Lands and Forests
Natural Resources Building
Edmonton, Alberta.

Application Deadline Postmarked November 12, 1966
